Customer No. 23859

April 23, 2007

Sir:

This is in response to the Restriction Requirement of March 21, 2007. In the Restriction Requirement, the Examiner requires Applicant to elect a single invention for prosecution on the merits from one of two patentably distinct inventions. The Examiner contends that these two patentably distinct inventions are those of:

- Group I: Claims 1-15, drawn to methods of preparing carbon with enhanced electronic conductivity; and
- Group II: Claim 16, drawn to a composition.
